General information

MEASUREMENTS: Measurements can vary within the limits of a reasonable tolerance depending on the thickness of the chosen covers. The upholstered items are made with soft and elastic materials; therefore, the overall dimensions may vary between +/-2-3 cm. In the current pricelist the measurements of the products are determined by the size of the elements at the point of maximum encumbrance without compression of the padding and with an orthogonal detection at 90°. The tolerance of 2/3 cm is due to the curve of the padding and the elasticity and thickness of the upholstery.

MODULARITY: All the modular elements are designed to be placed side by side. For any request for products that are free standing, shaped and finished on the sides, please contact the Sales Dept. to verify feasibility and prices.

ICONS: Lateral elements are right/left referred to the position of the armrest from front view. The drawings of the sofas in the price list represent left elements.

FABRICS: Each fabric batch can show colour differences compared with fabric samples and products manufactured at different times. As for the removable covers cleaning we recommend to follow the care instructions. We advise dry cleaning for the washable fabrics.

LEATHER: Any natural marks, characteristic and colour difference compared with samples is not to be considered as a defect but as a unique feature of real leather, therefore, making it an authentic product.

POSSIBLE CHANGES or technical improvements in either materials or design may be made without the necessity of prior notice.

Key and general information

Upholstery categories 2025

In 2025, the covering categories were updated and simplified. The categories from previous years may appear on the sample swatches currently in use. The chart next to this summarizes schematically the new placements and names of the categories, referring to what has changed compared to the previous classification.

Fabric treatments

Surface treatment, which delays the absorption of water based stains.

In the fabrics with Quick Clean protection system each fiber is surrounded by a special layer that acts as an invisible shield against stains. Even if the stain apparently penetrates into the fabric, it stays on the fiber surface and is therefore easy to clean. All you need is a clean sponge and water.

Customer's Own Material

DISCLAIMER, TERMS AND CONDITIONS

- I. Please follow these rules carefully.
- II. The fabric consumption for each model (Fabric consumptions are indicated near the symbol of the fabric roll with the following symbol ) refers exclusively to fabric 140 cm wide, solid color, with no defects. The possibility to use a fabric with a width different from 140 cm or a fabric with a pattern is subject to Calligaris Spa's approval and to a higher fabric consumption compared to the one indicated on the pricelist.
- III. "COL" (Customer Own Leather) is no longer accepted.
- IV. The non-upholstered structural frames will be covered with the standard Calligaris branded fabric; on the models made with customer's own material we will not apply any other brand name.
- V. Seams and zips will always be stitched with a thread in a color matching the upholstery, according to the standards used for our models. The customer must clearly indicate possible special ways of cutting the fabric like stripes direction or decorations. Front and back must be indicated.
- VI. Moreover, the price of the "Customer own material" category will be increased by 10% in case of lined and striped fabrics or fabrics with particular drawings that require centering. In order to cover the product with customer's own lined or striped fabric, a higher quantity of material is necessary. Please contact us for the correct fabric consumption.
- VII. Calligaris S.p.A. fabric approval refers only to the upholstery.
- VIII. Calligaris S.p.A. declines any responsibility in regard to wear and tear, fire resistance or other client's material technical features.
- IX. Calligaris S.p.A. reserves the right to request a further dispatch of customer own material should it prove defective or insufficient.
- X. Calligaris S.p.A. is in no way responsible for the materials sent by the customer, for possible defects and technical deficiency of the materials themselves, for possible defects showing once the item has been upholstered, as well as maintenance and cleaning instructions.
- XI. Calligaris will not return any excess fabric after the realization of the product.
- XII. LEAD TIME FOR CUSTOMER OWN MATERIAL ORDERS: Production Lead Time is estimated in 8 weeks from our receipt of the pre-approved Customer's own material, except in case of different instructions due to particular features of the material and, in any case, after verification of the technical feasibility.

PRE-APPROVAL PROCESS

The possibility to cover the requested product with Customer's own material is subject to Calligaris S.p.A. check of a sample that must be sent concurrently with the issuing of the order.

DO NOT send any material for production without having received previous approval from Calligaris.

- I. Email your PO to your correspondent in Italy;
- II. An A4 sample (210 x 297 mm) of the Customer's own material is sufficient;
- II. Send swatch sample to: Calligaris S.p.A. - Via Trieste, 12 - 33044 Manzano (UD) - Italy - ATTENTION: EXPORT DEPARTMENT;
- IV. The sample must be shipped to our company DDP "delivery duty paid" and must include all the information to identify the material, the order and the model it refers to. The information must be applied to the outside of the packaging. The mandatory information consists of:
 - Name and address of shipper (material supplier; architect; interior designer; etc);
 - Name and address of the customer;
 - Your PO number;
- V. Customer needs to send an email to export@calligaris.it of shipment;
- VI. The shipment must be done using UPS or DHL or TNT. No shipments with any post office couriers will be accepted;
- VII. The proforma documents must include the following text:
 - Fabric sent free of charge for manufacturing purposes only;
 - Value for customs purposes only.

MATERIAL SHIPMENT FOR PRODUCTION

After you receive pre-approval of the sample (see "PRE-APPROVAL PROCESS" above), the customer own material ("Customer's own material") must be shipped to our company DDP "delivery duty paid" and must include all the information detailed above.

- I. The destination of the shipment is the following: CALLIGARIS S.P.A. - Via Trieste, 12 - 33044 Manzano (UD) - Italy - ATTENTION: EXPORT DEPARTMENT;
- II. Send an email to: export@calligaris.it alerting of shipment;
- III. The shipment must be done using UPS or DHL or TNT. No shipments with any post office couriers will be accepted;
- IV. The material needs to be shipped as a roll, not folded, to avoid damage (only pre-approval sample swatches can be shipped flat);
- V. Custom clearance: the customer is responsible for asking their fabric supplier to include all technical information on the material, composition and contents.

Specific information concerning sofas

In case a model is upholstered with coordinated fabrics from different categories, the price will be calculated on the higher category basis. The company may accept requests for amendments on standard elements. In this case, the supplier will communicate prices and delivery date.

General sales conditions

Art. 1 APPLICATION OF GENERAL CONDITIONS

These general sales conditions are applicable to the sales agreement between Calligaris Japan Y.K. (hereinafter also referred to as Calligaris) and the Purchaser (hereinafter also referred to as Purchaser), and they form an essential part of the contract and prevail over the order and any other attachments. These sales conditions shall be considered fully accepted by the Purchaser when a signed copy is returned to Calligaris or when Calligaris sends the Purchaser an order confirmation with the wording "The sale of the products herewith confirmed are subjected to the general sales conditions indicated in the current price list".

Art. 2 PRICES

The prices indicated in the price list here enclosed refer exclusively to the retailer's purchasing price. The prices are gross, therefore exclude regular customer A.B.P. condition or discounts and do not include consumption tax. The same prices are also suggested as recommended retail prices including consumption tax. Standard packing of products shall be included in the price.

Art. 3 ADJUSTMENTS TO THE PRICE LIST

This PRICE LIST replaces and invalidates all previous editions.

Calligaris reserves the right to modify, without advanced notice, the prices and products indicated in the price list; price and/or product modifications shall be applied immediately to the Purchaser.

Art. 4 DELIVERY CONDITIONS AND TERMS

The risk of loss or damage to the goods is transferred from Calligaris to the Purchaser when the goods are delivered. If the Purchaser or the carrier acting on behalf of the Purchaser does not promptly take possession of the goods or if the Purchaser fails to give timely delivery instructions, all the risk and possible extra charges connected with the goods themselves shall be charged to the Purchaser.

With reference to current Incoterms, the delivery of the goods shall be:

- ex-works customers' warehouses/logistics centres in Ohkawa City.

The number of pieces packed in a box (shown beside each model on the price list) is definite. The Purchaser shall therefore tacitly accept that orders indicating an odd number of a product packed in an even quantity, be automatically adapted to the even quantity or multiple immediately following. Orders received either through a representative or directly from the Purchaser shall be considered as accepted if they are signed by the Purchaser or when confirmed in writing by Calligaris.

Art. 5 PAYMENT CONDITIONS

The price shall be paid by the Purchaser without charge of costs, according to the conditions indicated in the order confirmation.

The following payment conditions will be applied to the Purchaser:

- T/T payment 30 days invoice date.

Calligaris reserves the right to modify at any time the payment conditions and to suspend deliveries of goods in any case of non-fulfilment, even partial, by the Purchaser with respect to the agreed payment terms, without being charged with damages of any kind.

The Purchaser shall not be granted any delay of payment in addition to what has been specified in the order confirmation.

Art. 6 DELIVERY – TRANSPORT

1) QUICKSHIP PROGRAM ORDERS

Delivery: customers' warehouses/logistics centres in Ohkawa City

Delivery time: 3 weeks

2) SPECIAL ORDERS

Delivery: customers' warehouses/logistics centres in Ohkawa City

Delivery time: 10-12 weeks

Any delay cannot be considered a legitimate reason for order cancellation or for any type of compensation and/or indemnity.

Seven days after they have been accepted by Calligaris, orders cannot be either modified or cancelled; if the order is cancelled a charge of 20% of the value of the accepted order can be applied. Any damage deriving from transportation or any discrepancy in the B/L or transportation documents (e.g. missing packages) for which Calligaris is not responsible, must be noted during the unloading stage with notes written on the documents and reported immediately and directly to the transportation company.

Art. 7 NON-COMPLIANCE OF PRODUCTS

The warranty applied to the products is the one specified by current regulations and is limited to the total replacement of the product or only the defective parts, only in cases of production defects imputable to Calligaris as manufacturer. The Purchaser shall forfeit his right to the warranty if he fails to inform Calligaris of the obvious defects of the products within eight days from the delivery date. All complaints must be forwarded in writing, using customer portal section AFTER SALES or filling in the dedicated form available at this link: <https://analytics-eu.clickdimensions.com/cn/ajyjf/newclaim-en>.

The warranty shall not be applied to product defects caused by incorrect assembly, improper use or use for which the product is not normally intended, failure to comply with the operating and maintenance instructions or normal wear.

Art. 8 TRANSFER OF PROPERTY

Calligaris shall remain the owner of the goods until the price has been paid in full by the Purchaser, even in cases of additions and/or modifications to the originally delivered products.

The purchasing company is authorised to sell the goods to third parties in accordance with its normal line of business, however, in this case, the full credit by the purchasing company towards its customers as regards the price of the resold goods must be settled in advance with Calligaris.

Art. 9 TECHNICAL DETAILS

Each Calligaris product is supplied with a technical sheet which contains assembly instructions, advice for usage and for maintenance. Calligaris suggests this information be made available to the sales staff and consumers.

Art. 10 INTERNET SALE

The Retailers, with Calligaris' prior express written consent, will be able to sell the Products online, with the express exclusion of sales through the Calligaris e-commerce platform, which will be managed directly by Calligaris, in compliance with the following obligations and with the Calligaris branding policy, without prejudice to the application of a number of provisions agreed in writing with Calligaris.

10.1. Domain name

The Retailer is not allowed and may not proceed in recording any domain name containing, in whole or in part, the brand literal logo Calligaris. In the event that the Retailer intends to market the Calligaris Products via an internet website (the "Website"), it shall obtain prior written consent from Calligaris giving notice of the domain name or names used.

10.2. Contents of the Website

The Website must be professionally designed and always technically up-to-date.

Visitors to the Website must clearly understand that it is the Retailer's Website and not the official Calligaris website. The lay out and contents of the Website shall not cause any confusion to the end consumer in this respect.

The Website shall include:

- mandatory details of the Retailer (name, services offered to the public, contact details and address, legal information, privacy requirements and Calligaris company profile);
- a clear indication on each page of the Products for which the sale is promoted;
- a clear link to the Calligaris website on every page in which the sale of the Products is promoted, without being in any event used the Calligaris logo.

10.3. Obligations on the Retailer

The Retailer must operate the physical point of sale for the entire duration of the relationship and is not entitled to operate entirely as a virtual sales point.

The Retailer must grant to the purchasers a secure payment system.

The online sales shall be made in strict compliance with any applicable mandatory consumer protection regulation, including the rules of the State where the client is located at the moment of the purchase. Failure to comply with any applicable mandatory consumer protection regulation will trigger Calligaris' right to immediately cease the supplies to the Retailer, also in respect of orders already accepted.

The Retailer must use third party platforms to distribute the Calligaris Products provided that customers do not visit the Retailer's Website through a site bearing the name or logo of the third party platform.

Art. 11 NO USE OF TRADEMARKS

The Retailer is expressly forbidden from using the trade mark that characterizes the Products for promotional or advertising purposes without the prior written consent of Calligaris.

Art. 12 PLACE OF JURISDICTION

Any controversy concerning the interpretation and execution of the agreement of sale governed by these general conditions of sale shall be referred to the Court of Tokyo. However, Calligaris reserves the right to apply to a Court located where the Purchaser has his registered offices and/or main centre of business.

Art. 13 ORGANIZATIONAL MODEL PURSUANT TO LEGISLATIVE DECREE 231/2001

The Manufacturer has adopted an organization, management and control model for the prevention of the risks of committing crimes pursuant to Legislative Decree 8 June 2001 n. 231, basing its business policy, among other things, on the basis of the principles established by its own Code of Ethics. The customer must read the code of ethics itself, adhere to and comply with these principles and procedures in the fulfilment of the obligations imposed on him by virtue of this contract.
