General information

MEASUREMENTS: Measurements can vary within the limits of a reasonable tolerance depending on the thickness of the chosen covers. The upholstered items are made with soft and elastic materials; therefore, the overall dimensions may vary between +/- 2-3 cm. In the current pricelist the measurements of the products are determined by the size of the elements at the point of maximum encumbrance without compression of the padding and with an orthogonal detection at 90°. The tolerance of 2/3 cm is due to the curve of the padding and the elasticity and thickness of the upholstery.

MODULARITY: All the modular elements are designed to be placed side by side. For any request for products that are free standing, shaped and finished on the sides, please contact the Sales Dept. to verify feasibility and prices.

ICONS: Lateral elements are right/left referred to the position of the armrest from front view. The drawings of the sofas in the price list represent left elements.

FABRICS: Each fabric batch can show colour differences compared with fabric samples and products manufactured at different times. As for the removable covers cleaning we recommend to follow the care instructions. We advise dry cleaning for the washable fabrics.

LEATHER: Any natural marks, characteristic and colour difference compared with samples is not to be considered as a defect but as a unique feature of real leather, therefore, making it an authentic product.

POSSIBLE CHANGES or technical improvements in either materials or design may be made without the necessity of prior notice.

Fabric treatments / Tratamientos a los tejidos

**water
repellent**

Surface treatment, which delays the absorption of water based stains.

Tratamiento superficial que retrasa la absorción de las manchas a base de agua.

Special treatment designed to ensure quick and easy removal of the most common stains (coffee, wine, fruit juices, ketchup, ice cream, ballpoint pens – non-alcohol-based). Clean with a damp cloth and water or, for more persistent stains, with water and mild soap.

Tratamiento especial que facilita una limpieza rápida y sencilla de las manchas más habituales (café, vino, zumos de fruta, ketchup, helados, bolígrafos – no a base de alcohol). Limpiar con un paño húmedo y agua o, en caso de manchas persistentes, con agua y jabón neutro.

General sales conditions

GENERAL SALES CONDITIONS

Art. 1 APPLICATION OF GENERAL CONDITIONS

These general sales conditions are applicable to the sales agreement between Calligaris Japan Y.K. (hereinafter also referred to as Calligaris) and the Purchaser (hereinafter also referred to as Purchaser), and they form an essential part of the contract and prevail over the order and any other attachments. These sales conditions shall be considered fully accepted by the Purchaser when a signed copy is returned to Calligaris or when Calligaris sends the Purchaser an order confirmation with the wording "The sale of the products herewith confirmed are subjected to the general sales conditions indicated in the current price list".

Art. 2 PRICES

The prices indicated in the price list here enclosed refer exclusively to the retailer's purchasing price. The prices are gross, therefore exclude regular customer A.B.P. condition or discounts and do not include consumption tax. The same prices are also suggested as recommended retail prices including consumption tax. Standard packing of products shall be included in the price.

Art. 3 ADJUSTMENTS TO THE PRICE LIST

This PRICE LIST replaces and invalidates all previous editions.

Calligaris reserves the right to modify, without advanced notice, the prices and products indicated in the price list; price and/or product modifications shall be applied immediately to the Purchaser.

Art. 4 DELIVERY CONDITIONS AND TERMS

The risk of loss or damage to the goods is transferred from Calligaris to the Purchaser when the goods are delivered. If the Purchaser or the carrier acting on behalf of the Purchaser does not promptly take possession of the goods or if the Purchaser fails to give timely delivery instructions, all the risk and possible extra charges connected with the goods themselves shall be charged to the Purchaser.

With reference to current Incoterms, the delivery of the goods shall be:

- ex-works customers' warehouses/logistics centres in Ohkawa City

The number of pieces packed in a box (shown beside each model on the price list) is definite. The Purchaser shall therefore tacitly accept that orders indicating an odd number of a product packed in an even quantity, be automatically adapted to the even quantity or multiple immediately following.

Orders received either through a representative or directly from the Purchaser shall be considered as accepted if they are signed by the Purchaser or when confirmed in writing by Calligaris.

Art. 5 PAYMENT CONDITIONS

The price shall be paid by the Purchaser without charge of costs, according to the conditions indicated in the order confirmation.

The following payment conditions will be applied to the Purchaser:

- T/T payment 30 days invoice date.

Calligaris reserves the right to modify at any time the payment conditions and to suspend deliveries of goods in any case of non-fulfilment, even partial, by the Purchaser with respect to the agreed payment terms, without being charged with damages of any kind.

The Purchaser shall not be granted any delay of payment in addition to what has been specified in the order confirmation.

Art. 6 DELIVERY – TRANSPORT

1) QUICKSHIP PROGRAM ORDERS

Delivery: customers' warehouses/logistics centres in Ohkawa City

Delivery time: 3 weeks

2) SPECIAL ORDERS

Delivery: customers' warehouses/logistics centres in Ohkawa City

Delivery time: 10-12 weeks

Any delay cannot be considered a legitimate reason for order cancellation or for any type of compensation and/or indemnity.

Seven days after they have been accepted by Calligaris, orders cannot be either modified or cancelled; if the order is cancelled a charge of 20% of the value of the accepted order can be applied. Any damage deriving from transportation or any discrepancy in the B/L or transportation documents (e.g. missing packages) for which Calligaris is not responsible, must be noted during the unloading stage with notes written on the documents and reported immediately and directly to the transportation company.

Art. 7 NON-COMPLIANCE OF PRODUCTS

The warranty applied to the products is the one specified by current regulations and is limited to the total replacement of the product or only the defective parts, only in cases of production defects imputable to Calligaris as manufacturer. The Purchaser shall forfeit his right to the warranty if he fails to inform Calligaris of the obvious defects of the products within eight days from the delivery date. All complaints must be forwarded in writing, using customer portal section **AFTER SALES** or filling in the dedicated form available at this link: <https://analytics-eu.clickdimensions.com/cn/ajyjf/newclaim-en>.

The warranty shall not be applied to product defects caused by incorrect assembly, improper use or use for which the product is not normally intended, failure to comply with the operating and maintenance instructions or normal wear.

Art. 8 TRANSFER OF PROPERTY

Calligaris shall remain the owner of the goods until the price has been paid in full by the Purchaser, even in cases of additions and/or modifications to the originally delivered products.

The purchasing company is authorised to sell the goods to third parties in accordance with its normal line of business, however, in this case, the full credit by the purchasing company towards its customers as regards the price of the resold goods must be settled in advance with Calligaris.

Each Calligaris product is supplied with a technical sheet which contains assembly instructions, advice for usage and for maintenance. Calligaris suggests this information be made available to the sales staff and consumers.

- mandatory details of the Retailer (name, services offered to the public, contact details and address, legal information, privacy requirements and Calligaris company profile);

Failure to comply with any applicable mandatory consumer protection regulation will trigger Calligaris' right to immediately cease the supplies to the Retailer, also in respect of orders already accepted.

The Retailer must use third party platforms to distribute the Calligaris Products provided that customers do not visit the Retailer's Website through a site bearing the name or logo of the third party platform.

Art. 11 NO USE OF TRADEMARKS

Art. 12 PLACE OF JURISDICTION

Any controversy concerning the interpretation and execution of the agreement of sale governed by these general conditions of sale shall be referred to the Court of Tokyo. However, Calligaris reserves the right to apply to a Court located where the Purchaser has his registered offices and/or main centre of business.

Art. 13 ORGANIZATIONAL MODEL PURSUANT TO LEGISLATIVE DECREE 231/2001
